Dear Irv,

On behalf of Asia Society Northern California, I would like to thank you for coming to speak at our screening and subsequent discussion of *The Revolutionary*. Your familiarity with China and the superb skill with which you detailed Sidney's fascinating story was both very interesting for our members and essential to making the program such a success. All of us at ASNC are excited to have you as a partner in our mission to educate and enhance relations between Asia, the United States, and the Bay Area.

In appreciation of your participation, we are extending to you a complimentary one-year membership, to Asia Society Northern California. This letter constitutes proof of your membership, which entitles you to attend events hosted by any of the Asia Society's 11 centers.

I send my warmest wishes and deepest appreciation.

Sincerely,

N. Bruce Pickering, Ph.D.
Vice President Global Programs
Executive Director Northern California Center
